

WBHS #2070

International Thespian Society

**Application for Membership**

A student is welcome to become a member of the ITS troupe when they have shown their dedication and active support to our school's drama program. Therefore the majority of points earned for membership must be from school drama activities. This includes activities both on and off stage. This also includes active service and supportive ATTITUDE for our program. In order to be selected as a member of ITS a minimum number of activities must be performed – and are outlined below. Some substitutions for some activities are allowed, particularly for transfer students. But in no case will a student be selected for membership without the prescribed number of points.

Moreover, once a student is elected to membership, he/she must continue service to the department or they will be dropped from the membership roles.

DUE TO THE COVID 19 PANDEMIC, THE ENTRY POINTS HAVE BEEN REDUCED AND REVISED.

PLEASE SUBMIT THIS APPLICATION TO MRS. BRODY VIA EMAIL NO LATER THAN Dec. 14, 2020. You may print this, complete it, and email a photo if you send both front and back. Decisions will be announced in early January 2021.
